INTERNATIONAL CONFERENCE

on

INTELLIGENT SYSTEMS FOR CYBERSECURITY (ISCS Technically Sponsored by IEEE Delhi Section

3rd - 4th May 2024

About The NorthCap University

The NorthCap University (NCU) is a progressive multidisciplinary university located in the citycentre of Gurugram, Haryana. The university's rich heritage of 25+ years, 11000+ alumni and robust academic infrastructure enables deep linkages with government, industry and research bodies. The university operates three schools in its state-of-the-art urban campus and hosts a diverse student body in the disciplines of engineering & technology, management, liberal arts, law, and applied sciences.

NCU is a National Assessment and Accreditation Council (NAAC) Grade A accredited university that serves as a research and talent catalyst between students and industry. Guided by eminent academicians and industry leaders, it follows an immersive pedagogy to deliver undergraduate, postgraduate and doctoral programmes. The university is a comprehensive partner of Arizona State University (#1 university in the U.S. for innovation, outreach and stewardship). This strategic collaboration focuses on innovation, internationalisation and digitisation. NCU students enjoy summer immersion programme and accelerated master's programmes in the US given this partnership.

NCU is recognised by the University Grants Commission (UGC) and the Bar Council of India (BCI). It is a member of the Association of Indian Universities (AIU), member of the Association of Commonwealth Universities (ACU) UK, a member of the American Society for Quality and is accredited by Accreditation Services for International Colleges (ASIC), UK. With a 5-Star QS Ranking for Teaching, Employability, Academic Development, Online Learning and Inclusiveness, NCU ranks among the Top 30 Best Performing Universities as per Atal Ranking of Institutions on Innovation Achievements (ARIIA) rankings.

About The Department

Being one of the best Computer Science Engineering colleges in Delhi NCR, the Department of Computer Science and Engineering at The NorthCap University is leveraging the invaluable opportunities created by the tech revolution sweeping across the world; the revolution that has brought phenomenonsuch as User Experience, Artificial Intelligence, Data Science, Internet of Things and Cyber Security. The Department is preparing the students to create their space in the most cutting- edge technologies serving across industries by introducing domain specializations in sync with the latest industry needs. The Department boasts of state-of-the-art infrastructure like Smart Classrooms and Smart Labs equipped with high-end computing devices, to enhance the student's overall learning experience and Centers of Excellence in some of the emerging areas like Data Science and Cyber Security. Ranked among the top universities in India, The NorthCap University partners with leading organizations enable joint collaborative work in R&D products, internships andplacements, improvement of research and academic programs and exchange of experts and researchers. The academic excellence of the department is reflected in the best placement history and significant number of students gaining admissions for higher studies in institutions of national and international repute.

ISCS2024

ISCS 2024, the International Conference on Intelligent Systems for Cybersecurity, is dedicated to advancing knowledge and innovation at the intersection of cybersecurity and cutting-edge technologies. The conference's mission is to provide a platform for experts and practitioners from diverse domains to collaborate and address the evolving challenges in cybersecurity. It aims to foster interdisciplinary dialogue and pioneer solutions to fortify cybersecurity defenses. ISCS 2024 prepares attendees for the future of cybersecurity in an interconnected world. This conference spans an array of topics, including cutting-edge developments in cybersecurity, the integration of artificial intelligence in threat mitigation, harnessing Quantum Technologies for secure networks, the transformative potential of Blockchain, IoT and cloud security paradigms, and emerging areas set to reshape the digital landscape.

Why Sponsor Us ?

ISCS Conference sponsors are exposed to highly engaged researchers, scientists, academicians, and industrialists from all over the world in the arena of emerging trends. Sponsorship revenue significantly reduces the overall cost of participation, enabling more attendees to participate in the conference. Your sponsorship support will help us to bring eminent personalities in fields of Cyber Security, Artificial intelligence, Augmented Reality/Virtual Reality (AR/ VR), Quantum Technologies, Blockchain, IoT, Cloud Computing,& emerging engineering domains and enlarge the technical scope of the conference.

Sponsoring ISCS Conference gives you:

Access to influential professionals in emerging trends Internal and external networking opportunities Unique marketing and brand exposure Opportunity to make valuable contact

Important Dates

Call for Paper:	30 th September 2023		
Submission Date:	29 th February 2024		
Acceptance Date:	25 th March 2024		
Deadline for Registration:	10 th April 2024		
Camera Ready Paper:	15 th April 2024		
Date of Conference:	3 rd - 4 th May 2024		

Tracks

- Al and Machine Learning for Cyber Security
- IoT and Cloud Security
- Quantum Cybersecurity and Post-Quantum Cryptography
- Blockchain and Machine Learning for Secure Decentralized networks
- Emerging Trends in Cyber Security and Intelligent Systems

Past Conferences

IEEE IACC 2014

The IEEE International Conference of Advance Computing (IACC) was organized on 21st - 22nd February 2014 at ITM University Gurgaon (currently known as The NorthCap University). IACC 2014 was jointly organized with the IEEE Computer Society of India. All the accepted papers were published in IEEE Xplore Digital Library. The General chair of the conference was Dr. Deepak Garg, Chair, IEEE Computer Society, India Council and Head, Department of Computer Science and Engineering, Thapar University, Patiala, Dr. Latika Singh Head of Computer Science Department, The ITM University.

ICCIDS 2018

The International Conference on Computational Intelligence and Data Science was organized at The NorthCap University, Gurugram, India, April 7-8, 2018. All the accepted papers were published in procedia computer science, Elsevier. Around 950 papers were received at each conference in 2018 and 200 were accepted. Some of the selected high-quality papers of ICCIDS2018 with extended versions will be published in reputed journals from International Publishers indexed in Web of Science, SCOPUS, ACM, and DBLP. The General Chairs of this conference were John Wang, Montclair State University, USA Kuan Ching Li, Providence University, Taiwan Dheeraj Sanghi, IIT, Kanpur, India.

ICCIDS 2019

The International Conference on Computational Intelligence and Data Science (ICCIDS) 2019 was jointly organized by The NorthCap University and the University of Dayton, Ohio, USA from 6th & 7th September 2019 at The NorthCap University. It was inaugurated by Prof. B K Kuthiala, Chairperson of Haryana State Higher Education Council, Haryana as the chief guest. All the accepted and presented papers were published in Procedia, Computer Science, and Elsevier. Some of the high-quality papers selected from ICCIDS 2019 with extended versions were published in reputed journals of international publishers indexed in Web of Science, Scopus, and DBLP.

A very high number of high-quality submissions were received from them 275 were accepted. The conference focused on computational techniques in data sciences. The General Chairs of this conference were Dr. Vijendra Singh, The NorthCap University, India, Prof. Vijayan K Asari, University of Dayton, Ohio, USA, Prof. Kuan Ching Li, Providence University, Taiwan, and Prof. Joseph Tan, McMaster University, Canada.

ICCSDF 2021

An international conference on Cyber Security and Digital Forensics (ICCSDF 2021) was organized at The NorthCap University, Gurugram on 3rd-4th April 2021, in Virtual Mode. All accepted papers were published by Springer in Scopusindexed book series of Lecture Notes on Data Engineering and Communications Technologies. The conference was inaugurated by Honourable Chief Guest, Dr. Gulshan Rai, Former National Cyber Security Coordinator, at the Prime Minister's Office, Government of India. The General Chairs of this conference were Anil Sahasrabudhe, Chairman of AICTE, Alok Gupta, CEO of Pyramid, India, and Prof. Kavita Khanna, The NorthCap University.

SPONSORSHIP TIERS

	Diamond \$5000	Gold \$4000	Silver \$3000	Bronze \$2000
Recognition as Keynote Speaker	\checkmark	\checkmark		
Promotion on social media handles	~	V	\checkmark	\checkmark
Free publication of Research Paper	2	1	1	
Logos on Login Window, website, social media platforms and emails	V	V	V	V
Logos on Certificates	~	~	\checkmark	\checkmark
Promotional Video	2 mins	1 min		
Exhibition Space	~	~	~	
Discount on Additional paper publication (%)	25	20	15	10
Organize promotional Workshop/ Guest Lecture	~	V		
Host Special Session	~
